

I was so honored to have been asked to judge the Sweepstakes at your North Central Illinois Pekingese Specialty on May 28th, 2016 in Bloomington, Illinois.

The classes were just lovely and gives us high hopes for the future of the breed. Nothing is more fun than watching these young exhibits show their stuff and that they all did! They well represented the breed.

For Best in Sweepstakes I chose Diaquiris Distinctly Dior, a lovely male with impressive headpiece and topped that off with lovely dark sparkling eyes. Was in wonderful condition and proportion, as well as type.

The girl I selected for Best of Opposite in Sweepstakes, H.T. Nola was a nice size, very cobby and sturdy. She had a lovely thick red coat and knew why she was there and showed like an old pro.

I thoroughly enjoyed the day and so nice to see old friends and Thank You for having me.
