After you have been a member for one year, you may choose to remain an Associate member or you may choose to take the Active membership. You will need to notify a board member of your decision.

**Associate:** If it's unlikely you will be able to regularly attend Club meetings where a quorum is needed to conduct business that would likely require voting, but you want to keep up to date with the activities of the club and perhaps participate in meetings on occasion, it is suggested you take the Associate membership. Associate members cannot vote, cannot hold office, and they do not count towards a quorum. Dues are \$7.50.

**Active:** If you want to regularly attend and participate in Club meetings, and have an active (voting) voice in the business conducted during the Club meetings, it is suggested you take the Active membership. Active members can vote, hold office and they do count towards a quorum. Dues are \$15.00.
